Dance Dance Revolution Universal

Experience the ultimate rhythm game sensation with the Dance Dance Revolution Universal machine.

This arcade unit brings a fresh, enhanced experience to fans and newcomers alike, building on the legendary gameplay that has captivated millions worldwide.

Key Features:

- **New Cabinet Design:** A silver-coloured design based on the 20th Anniversary model.
- **Bigger Monitor:** Immerse yourself in the action with a significantly larger display, clearer visuals and a more dynamic gameplay experience for players and spectators.
- **New Software (DDR World):** Dive into the latest iteration of DDR, featuring updated graphics and user interface for faster navigation, a cleaner options menu, and better song selection displays.
- **More songs:** Step into an expanded and diverse music library with over 1000 songs to choose from. Dance along to big hits with official music videos from: Ariana Grande, Dua Lipa, LMFAO, Porter Robinson and more. Offers a range of difficulties to keep players engaged for longer.
- **Iconic Gameplay:** Retains the beloved core mechanics, where players step on directional arrows in time with on-screen prompts and music.

The DDR Universal is perfect for Arcade Operators, Family Entertainment Centers (FEC's), bowling centers and leisure facilities.

Get ready to step up, hit those arrows and own the stage!
