Golden X Prize

Golden X Prize is a highly engaging crane game that takes the classic arcade experience to a thrilling new level.

Beyond the excitement of catching capsules, players now have the chance to discover a rare "Magic Token" hidden within some of the golden eggs, unlocking access to exclusive, special prizes!

Key Features:

- **Innovative "Special Token" System:** A unique twist on the traditional crane game, players can win special numbered Tokens from selected Golden Eggs. These tokens correspond to 1 of 4 exclusive special prizes displayed in the lower cabinet. Upon inserting the numbered Magic Token into the machine, the appropriate prize door will automatically open.
- **Dual Play Modes:** Offers flexible gameplay with options for "Prize Every Game" or "Standard Game Mode".
- **Two gantry options to accommodate a diverse range of capsules (supplied with this gantry):**
Option 1) 65mm - 100mm capsules - approximately 350 egg capacity for 95mm capsules.
Option 2) 11cm - 15cm egg capsule around 200 egg capacity for 15cm capsule.
- **Ticket Redemption & Mercy Option:** Available with a ticket redemption feature, including a "mercy ticket" option to ensure every play has a rewarding outcome. Also has RFID Tokens with ticket values of 50, 100, 200, 500, 1000.
- **Secure Coin System:** Each coin inserted is synced specifically with that machine, potentially offering enhanced security or operational tracking benefits.
- **Attractive Cabinet Design:** A visually appealing cabinet with vibrant LED lighting draws players in and brightens any arcade or entertainment centre.
