## PRIZE HUB by Baytek Is Galileo Compatible – Self Service Kiosk

*Galileo System is compatible with Baytek's Self Contained Prize Centre*

*Prize Hub was developed to create game rooms where there have never been game rooms before! This self-contained prize center introduces a sleek, modern approach to the redemption market. The Modular Prize Hub offers flexibility in prize variety and capacity.*

*Expand its potential even more by adding up to two each of the Capsule, Spindle and Locker Hubs! Players use the intuitive 22" touch-screen to shop and claim prizes while operators benefit from the user-friendly menus.*
