Ticket Fiesta Plus

Ticket Fiesta Plus is an exciting arcade redemption game that combines the popular mechanics of a crane and a pusher game with a thrilling progressive mega bonus feature.

Players engage in a multi-faceted challenge to collect tickets and aim for the ultimate "Mega Bonus" win, making it a highly engaging attraction for any arcade or entertainment centre with ticket redemption.

Key Features & Gameplay:

- **Hybrid Gameplay:** Experience the best of both worlds with a unique combination of a crane and a pusher mechanism, designed to maximize ticket winnings.
- **Progressive Mega Bonus:** The game includes an enticing progressive feature, building anticipation for a massive ticket pay-out.
- **Interactive Claw Mechanic:** Players use the claw to skilfully collect "Rings of Tickets" and "Letters" from the playfield.
- The Rings collected are dropped onto the Pusher field and once pushed over the edge, players can win more tickets.
- **Mega Bonus Challenge:** The primary goal is to "Light the word Mega Bonus" by collecting specific letters or triggering bonus events, leading to a chance to win the progressive mega bonus. The current Mega Bonus amount is displayed prominently.
- **Automatic Ticket Ring Refill:** Ensures continuous gameplay and minimizes operator intervention for replenishing ticket rings.
- **Vibrant Aesthetics:** Features eye-catching graphics, bright lighting, and an attractive design (pink and blue colour scheme with playful "ahhh yeah" and "Ticket Winner" artwork) to draw in players.
