Colour Match

Electrocoin's Colour Match is a fast paced, 100% skill game, fun for all the family.

It's an easy to play game that will test your speed and coordination skills, with full concentration required to beat the games top score.

When the game begins, Red, Green and Blue balls will drop onto the playfield.

By rotating the wheel accordingly, the baskets will spin round - catch the dropping coloured balls into the corresponding coloured basket to win points.

The more accurate you are, the more points you can win, including the Super Bonus.

With colourful lighting and exciting sounds that are in line with the game speed, Colour Match, is a sure winner for all locations.

Colour Match is available with a ticket redemption facility, and a Capsule and card out feature which is perfect for non-ticket locations, bars, bowling centres, or any location which has space for the game

Colour Match is a 100% skill game.

Colour Match is presented in a classic attractive cabinet design with external LED Lighting, and an external wheel that can twist and turn in either direction.

Operator switchable between Ticket Redemption, Card Vend & Capsule Prize Vend.
