Foo Fighters Pinball

Foo Fighters Pinballs celebrate the iconic Rock and Roll Hall of Class of 2021 inductees

The Foo Fighters pinball machines are available in Pro, Premium, and Limited Edition (LE) models.

Foo Fighters first stepped onto the world stage in 1995 with their classic self-titled debut album. Over the course of their career, the band has released 10 studio albums, amassed over 32 million records sold worldwide, won 15 Grammy Awards, were recipients of the first-ever MTV "Global Icon" award, and were inducted into the Rock and Roll Hall of Fame in 2021.

Stern's Foo Fighters machines bring the Foo Fighters concert experience home as players are immersed in an epic pinball adventure featuring 15 iconic songs spanning the band's expansive catalog, including All My Life, Best of You, Breakout, Everlong, Holding Poison, I'll Stick Around, Learn to Fly, Monkey Wrench, My Hero, Run, Something from Nothing, The Pretender, This is a Call, Times Like These, and Walk.

More than two years in the making and with creative input from the band's own Dave Grohl, Nate Mendel, Pat Smear, Chris Shiflett, Rami Jaffee, and the late, great Taylor Hawkins, Stern's Foo Fighters is a top-shelf pinball machine—and so much more. An entire new universe has been developed with jaw-dropping hand-drawn artwork and custom animations including "Foo Fighters Saturday Morning Action Time!"—a fictional TV series chronicling the band's quest to save rock and roll... AND THE WORLD!

Join Foo Fighters on this rescue mission to thwart the evil, mysterious alien Overlord and his army of bots. Search the Area 51 upper playfield to break into and unleash pinball chaos. Jump in the van for a righteous tour of duty to save humanity from extinction and let rock rule!
