## Heavy Metal Pinball

Heavy Metal Pinball is brought to you by Incendium, a multi-faceted production company known for an array of animation, comic books, toys, and video games.

The original art created for the Heavy Metal pinball machine art pays tribute to characters and worlds from the magazine's storied history.

New additions from its upcoming publications join this shared universe for the first time.

Gameplay revolves around the warrior heroine, Taarna and the undead tailgunner, Nelson. Both, will speak for the first time ever, supporting the in-game narrative.

The pinball machine soundtrack will feature original recordings from Sebastian Bach, and Brendon Small, in addition to iconic tracks from the *Heavy Metal* movie original soundtrack including Blue Oyster Cult, Cheap Trick, and more.

The Heavy Metal pinball machine commemorates the 300th issue of *Heavy Metal*, which has been running since 1977 and inspired the 1981 animated movie of the same name.

It is a Limited edition pinball machine celebrating the world's greatest illustrated magazine, *Heavy Metal*.

An exclusive variant cover edition of issue 300 will be included with every machine.

This limited-edition pinball machine is built to order and only available for 2020.

The *Heavy Metal* pinball machine features:

Cabinet armour in the unique colour changing galaxy black metallic with all original art, Figures of Taarna and Nelson that light up, Custom art blades and Limited edition, hand numbered issue of *Heavy Metal* #300 with a variant cover.
