Space Shooter

An exciting skill prize vending game whereby players must simply press the button at the correct moment to hit a ball/capsule off the moving carousel into the hole.

A prize is won by successfully shooting the capsule off the playfield into the hole.

When a player is successful, the winning prize is collected from the lower tray. Subsequently, a capsule/ball swooshes down from the top holding box onto the playfield replacing the previous capsule/ball.

The top box can hold approximately 60 large capsules.

The moving carousel can display up to 13 large capsules, so players can wait until their preferred prize is in line with the hole to try and win.

Available in three different colours: Blue, Green and Pink

Optional prize every game feature – players can win large capsule/ball with every game

Presented with LEDS, bright colours, Space Shooter is lots of fun for all the family and is ideal for any family entertainment centre and/or single sites.

It is a prize vending game with an optional redemption ticket feature.
