Teenage Mutant Ninja Turtles Pinball

Teenage Mutant Ninja Turtles (TMNT) pinball machines will be available in Pro, Premium, and Limited Edition models.

Teenage Mutant Ninja Turtles (TMNT) is based on Nickelodeon's iconic animated hit television series.

Considered one of the most popular kids' television programs of the 1980s, Teenage Mutant Ninja Turtles is a classic, global property created in 1984 by Kevin Eastman and Peter Laird.

Leonardo, Donatello, Raphael and Michelangelo are the Teenage Mutant Ninja Turtles, trained in the art of ninjutsu by their wise rat sensei, Master Splinter.

In this pinball adventure players will go to battle as the Turtles fight villains like Shredder, the Krang and loads of super-powerful mutants, to become the heroes they were destined to be, and have loads of fun along the way!

The Pro, Premium, and Limited Edition models all feature distinct hand-drawn art.

There will also be a high speed magnetic spinning pizza disc capable of holding and throwing 3 balls during pizza multiball mayhem.

The original 1987 theme music complements the action with custom video scenes and events created exclusively for this pinball experience.

All models include 3 flippers, 3 high speed ramps, and a hidden ninja training ball lock area.
