Alley Bowlers

The innovative twist on the classic alley bowler allows up to four players to compete head-to-head in a traditional game of Classic Roller.

Players can also choose an alternative game, Ring of Fire, where they can test their alley-roller skills by hitting the lit bonus target for double the points and excitement!

The 22" LCD monitor displays each ball's score to increase competitive spirits, and the fun circus animations allow players to interact with the game.

Bring the circus to town with this fun, colorful game.

Cap off your bank of alley bowlers with Grand Fun-alley!

Dimensions

H: 203cm

W: 76cm

D: 290cm

Wgt: 250kg
