## Star Wars

To celebrate the 40th anniversary since it was released on the big screen, Stern Pinball have brought one of the biggest licenses to pinball once again – Star Wars.

The game will immerse players in the dynamic and challenging Star Wars pinball environment as they battle to restore justice to the Galaxy. The game includes select speech and footage from the original Star Wars trilogy; colour-changing LED-lighted inserts; and a sculpted TIE Fighter. In addition to the game experience, the machine will also feature a full color high definition display.
